Service options and customer payment information

HOW PRICING WORKS

- All listed prices are suggested starting prices, not guaranteed quotes.
- Lawn size means the actual mowable area, not the total lot size.
- Flowerbed and hardscape areas are measured in square feet; edging and fences are measured in linear feet.
- Final estimates depend on site conditions, access, growth, materials, labor, equipment and disposal.
- Materials, delivery, hauling and disposal are itemized separately when applicable.
- Customer approval is required before any additional work begins.
